- Shree V.D.Patel School, Mandavad - 10TH (GSEB) | 93.38%2021

My Projects

HTML Projects: [\[View All Projects\]](#)

Built a fully responsive and semantic web interface using advanced HTML5 standards, ensuring clean code architecture, smooth cross-browser compatibility, and intuitive user navigation.

CSS Projects: [\[View All Projects\]](#)

Designed visually engaging and modern layouts leveraging advanced CSS3 styling, Flexbox, Grid systems, and custom animations to elevate overall user experience.

Bootstrap Projects: [\[View All Projects\]](#)

Developed a responsive web application utilizing Bootstrap components, layout utilities, and grid systems for optimal viewing across mobile, tablet, and desktop viewports.

C Language Projects: [\[View All Projects\]](#)

Engineered efficient C programs implementing core programming concepts including modular functions, multidimensional arrays, control structures, and optimized logic for performance.

My Project: [\[View All Projects\]](#)

After practicing various programming concepts, I have created several projects. I built them using different technologies and frameworks.

ACHIEVEMENTS

2nd Rank – Teachers’ Day Economics Activity | 2023

Regularly participated in Teachers’ Day activities held on 5 September, securing 2nd Rank in the Economics Activity and receiving a Medal and Certificate of Achievement.

Software Development Course [\[View Certificat\]](#)

Completed a Software Development course covering Programming Fundamentals, web development, and software development concepts.
